THURSDAY, FRIDAY AND SATURDAY

Majestic Underground Garbage Receiver

SANITARY disposal of garbage can only be accomplished by using a Majestic Underground Garbage Receiver.

Only the top of the Majestic is exposed, the galvanized can in a cast iron receptacle, being buried. Automatically closes; it is safe from dogs, cats and vermin. Also it is odor proof and water proof.

The Majestic is an actual economy. Unexposed to the elements, it far outlasts the ordinary garbage can kept above ground. It is more slightly, more convenient and much cleaner.

HEADACHE STOPPED WHILE YOU WAIT

Druggist Refunds Your Money While You Wait at Counter if Aspirinal Does Not Relieve in Two Minutes. Absolutely Safe.

Why suffer half an hour of headache pain waiting for your stomach to digest solid tablets and powders, when Aspirinal, the new 24th, gives relief right now. Your doctor orders Aspirinal for the heart and does not upset the stomach.

The next time you have a headache go to your nearest drug store. Hand the clerk half a dollar for a bottle of Aspirinal and tell him to serve you two teaspoonfuls in a little water. With your watch in your hand count off two minutes and call for your money back as per manufacturer's guarantee, if you can't feel your headache fading away within the time limit. Your druggist invites and expects you to try Aspirinal, so don't be bashful. Everybody is doing it. Same guarantee applies to colds, coughs, and neuralgia—Adv.
